

# Loomis International Ltd

## RMG Inc.

Invite you, to come see the latest in cold forming, wire processing machinery and tooling, at our

# OPEN HOUSE

February 21<sup>st</sup>, 22<sup>nd</sup> & 23<sup>rd</sup>

from

9.00am - 4.00pm

at

RMG Inc, 14343 Industrial Parkway South Beloit, IL 61080-2626

## Exhibitors

**NAKASHIMADA** - Will have a NP-81 (8mm 2-die/3-blow) running a part featuring their fingerless transfer.

**RMG** - Will demonstrate a model 56 wire drawer feeding finished wire to the Nakashimada NP-81.

**ANGOR** - Will display a magnetic unloading conveyor feeding into a inline parts washer as well as a 600 series bucket loader.

**DIMAC** - Will have their SPC-Lab first piece inspection equipment on display. Bring a sample part for a demonstration of how the system works.

**SACMA MACHINERY** - Will present the new SP-670-AS a new 6 die (M33) cold former designed to produce hollow and solid special parts. Sacma will also introduce their new SP-470 CRM 6-die (M20) with 220 tons of heading tonnage and their S-feed concept for the Warm Formers.

**INGRAMATIC** - Will present their new RP-72 (M12-M22) flat die thread roller with the capability of handling shanks up to 370 mm. Also presenting their RP-62-VP with a feed system that not only feeds screws but studs on the same machine. Ingramatic now has vision control incorporated to insure 100% rejection of bad blanks before threading.

**IMPAX-PTG** - Will display the newest versions of the Impax/SK 200 & 4C Enhanced Envelope Monitors as well as the Impax TSS Shop Floor Monitoring System.

**AIM:** Will demonstrate a CNC wire bending machine.

**STAR METAL PRODUCTS** - Manufacturer of complex machined components and tooling for the cold-forming industry.

**REED / PTG** - Is the market leading supplier of thread rolling and trim dies, we offer a comprehensive range of products and services to the Aerospace, Automotive and Industrial Fastener Manufacturers World Wide.

**MASTER MACHINE CRAFT** - Remanufactures machines to OEM specifications and modifying headers/threaders for heat.

**EVER READY PIN MFG** - Produces a wide variety of precision-manufactured pins, punches and grinding services.

**LOOMIS PUNCH TOOLING** - Manufacturer of TORX/TORX PLUS, and supplier of Hex pins/inserts & Recess punches.

**NATIONAL HEADER DIE** - Implements only the best die metal & finishes to have become a world class tool manufacturer.

**4EVERCLEAN** - Eco-friendly industrial strength supplier of degreasers and floor cleaners.

Refreshments and food, will be available
